## 'A single aircraft order creates 1m jobs in US'

Washington: The address, Modi's second to the US Congress, was replete with punchlines, and punctuated with appliance and standing ova-who take a more pragmatic view of Modi and India. Familiar chants of "Modi, Modi' erupted from the galleries where his supporters sat.

To lawmakers deeply conscious of serving their states and constituents, he invoked the business side of things, telling them "when defence and aerospace in India grow, industries in the states of Washington, Arizona, Georgia and Congression of the Congres

and aerospace in India grow, industries in the states of Washington, Arizona, Georgia, Alabama, South Carolina, and Pennsylvania thrive. When American companies grow, their research and development centres in India of the World Market Wien Indianstrates of the World Market Wien Indianstrates in America. He also finessed New Delh'is position on the Russia-Ukraine war to a Congress that is overwhelmingly and it would be congressed to the Global South have been particularly affected by the conflict. "The global order is based on respect for the principles of the UN Charter, peaceful resolution of disputes, and respect

### A POEM TO MARK THE MOMENT

dialects but we speak in one voice?

We have over 2,500 political parties, Yes, you heard that right – 2,500. About 20 different parties govern various states of India. We have 22 official languages and thousands of dialects, and yet, we speak in one voice. Every hundred miles, our cuisine charges. From Dosa to Aloo Prantha and from Srikhand to Sandesh. We enjoy and the service of them. In India, diversity is a natural way of life for sovereignty and territorial. is like the Sun'
Our trusted partnership is
like the Sun in this new dawn
that will spread light all
around. am reminded of a poem that I once wrote (in Hindi). If I were to say it in English, it would be: Raising its head in the skies, Piercing through the With the promise of light, The sun has just risen. The sun has just rise...

Armed with a deep resolve,
Overcoming all the odds,
To dispel the forces of darkness,

for sovereignty and territorial torsovereignty and territorial integrity." he said in implicit criticism of Russia—for long New Delhi's ally in global forums—whom Washington seeks to displace as a principal supplier of arms and energy.

There was also oblique criticism of China, with Modi

casting their shadow in the In-do-Pacific". India and the US share a vision of a free, open and inclusive Indo-Pacific... where progress is not suffocated by impossible burdens of debt, he told a country in the hock to Beijing for more than a trillion dollars. saying that "dark clouds of co-

when the tech particularly critiuch is the emphasis on tech, particularly critiagriculture, once the some restone of ties with a country that helped India become food sufficient, finds only one fleeting mention in the 6,000word Joint statement. The two sides have also chosen to put behind them decades of the same than the contemporary of the country of the statement. The US-India Comprehensive Global and Strategic Partnership is anchored in a new level of trust and mutual understanding, and enriched
